RE: Report and Remittance of Unclaimed Property
Mississippi Uniform Disposition of Unclaimed Property Act
Miss. Statute Section 89-12-1 to 89-12-57

The Mississippi Unclaimed Property Act requires businesses and other organizations to report to the State Treasurer certain funds and securities that have remained unclaimed for 5 years. This year, the Mississippi Unclaimed Property Division has made the reporting information available on the Treasury Department web site www.treasury.state.ms.us. The Mississippi Unclaimed Property Office can also accept annual reports of unclaimed property on diskette or CD following the website guidelines provided. If you have more than 25 owners to report, we would like holders to please consider using this reporting option. We hope the revised format and the simplified instructions allow holders to comply more easily.

For businesses and organizations, your 2008 Mississippi Unclaimed Property Report should include items outstanding before July 1, 2003 and still unclaimed. The Unclaimed Property Division should receive your report no later than November 1, 2008.

To ensure full compliance with the law, please read the instructions carefully. Please note address changes in the return address area. If thereafter you have any questions or you are unable to obtain a copy of the Guide from our web page, please do not hesitate to contact the Unclaimed Property Office at (601) 359-3534 or toll free in Mississippi 1-888-308-1997.

Note: A report is due if you received this notice.
